

LCC STATEMENT – COVID-19

Life Community Church- Collin County is committed to your health and safety.

We have been closely monitoring the COVID-19 pandemic and following the preventative recommendations from the Center for Disease Control to reduce the spread of the virus.

While we will have service on Sunday at 9:37a.m, we encourage you to adhere to the following:

- Wash your hands often with soap and water for at least 20 seconds, especially after going to the restroom; before eating; and after blowing your nose, coughing, or sneezing.
- Avoid touching your eyes, nose, and mouth.
- Please stay home if you are sick, have been exposed to someone who is sick, or have traveled internationally in the past 14 days.
- If you have been exposed and/or experiencing symptoms of the virus, please contact your doctor for evaluation.
- Clean frequently touched objects and surfaces using household cleaning spray or wipe.
- Pray for healing. Pray for effective medical solutions. Pray for peace everywhere.

As events continue to evolve, we will keep you updated of any changes.
